| 1. No formal selection process for LNO's. A warm body to fill the tasker is a recipe for failure. | Develop criteria for the selection of the LNO candidates.<br>Lead MSC to accomplish in coordination with FEMA and FEMA. | Commands need to understand the concept and importance of the right person in the position. |
| 2. No formal training of the LNO candidates. | Develop a formal training package.<br>Lead MSC | Funding |
